## REPORT ON OFFICER'S DUTIES IN REGARDS TO THE PRESIDENT'S MURDER E. P. POGT - 715

Last Friday, November 22, 1963, I was on my regular day off when I heard a news report that the President had been shot, and later that he was dead. A later report said that Officer Tippit was shot and killed.

I reported to work at about 3:30 TM and helped in the office with the incoming telephone calls. I helped other officers in the Monicide Eureau more Greeld to the jail elevator and back several times. I went home about 2:00 AM.

On Saturday, Howenber 23, 1963, I reported to work at 10:00 AM. At about 1:00 BM I took a statement, along with F. B. I. Agent Albert Seyere, from Mrs. Geneva L. Hine, 2005/UdcDale Road, FR 6-7580, who is an employee of the Texas School Book Depository and has been there for 69 yeers. She identified a picture of Oswald that Agent Sayere had as an employee there for about two months. She is a clerk in the office on the second floor, and Oswald worked on the first floor as a book filler. She states that she had not seen him speaking to anyone, and on the day of the shooting, she did not see him. She heard 3 stots, but did not know what had happoned until efficers came in the office and told her the President had been about. I went off duty at 9:300 FM.
